### NATURAL WANDERLUST OF MAN AWAKENS AT CALL OF ROAD

The country's call of the road, sounded by National Touring Week, is singing in the ears of every motorist to whom vacation spells the free and the open. When August 6th, the date of the week automobilists are setting aside for spending their vacations in their cars, is bared on the calendar, motorists by thousands will be on the road from the Atlantic shore to the Pacific coast.

No movement has ever produced a more spontaneous or nation-wide response. The call to "come, wander a-wheel" has cast its spell to the remote village, and into the isolation of the great city.

There is yet much of the nomad in the human animal, notwithstanding the centuries of what he terms civilization. In his heart he is often the gypsy. He dreams, as he works, of fields afar, and beauty spots hidden in the woodlands for his particular joy. With vacation the spell to go forth and find them grows irresistible.

What more in harmony with modern efficiency and love of creature comforts than that the nomad should do

his wandering in a motor car. The automobile tourist is the gypsy de luxe. Therefore, motorists by the thousands are hearkening to the call of National Touring Week.

Newspapers, automobile clubs, and automobile dealers, at once sensing the popular appeal of the movement, have aligned themselves with it. The momentum it has already gained will carry the outpouring of motorists far beyond the single week set for the touring festival.

"Take that vacation in your motor car if you would drink the full measure of it," is the warning of the summer.

### A NUISANCE

We noticed a garbage wagon on one of the streets of this city this morning. Or rather we smelled it first. We also noticed about forty seven million flies in the immediate vicinity. The wagon had two barrels on it, both filled with garbage and slop. There was no covering for them and the odor was of a far reaching and penetrating variety. It seems that the Board of Health should do something to abate such nuisances. Get busy gentlemen.

TAFT AND T. R. AMONG GUESTS TO ATTEND THE NOTIFICATION OF PRESIDENTIAL NOMINEE

New York, July 13—Final arrangements were made today for the notification of Charles Evans Hughes, Republican Presidential nominee, on July 31. The meeting will be held at Carnegie Hall and will be followed by a reception to the invited guests at the Hotel Astor.

Among the invited guests are Colonel Roosevelt, former President William H. Taft, the members of the Republican National Committee, the delegates and alternates to the national convention, the heads of the Republican organizations in the various States, the members of the Progressive National Committee, the Republican Governors of the various States and the Republican members of Congress.

The notification speech will be made by Senator Warren G. Harding of Ohio, Chairman of the Notification Committee, and Mr. Hughes, in his reply, is expected to outline his main national policies.

The arrangements for the notification were made at a conference of Mr. Hughes, Senator Harding and William R. Wilcox Chairman of the National Committee.

There were a number of callers at Hughes' headquarters from various States and all brought encouraging reports. Among them were R. Livingston Beckman, Governor of Rhode Island; Beckman Winthrop, former Assistant Secretary of the Navy; Senator George Sutherland of Utah; Congressman Frank Vare of Pennsylvania; O. E. Weller, Dallen Taft and James B. Reynolds of the Republican National Committee.

During the morning Mr. Hughes went for an automobile ride. There was a jam at Seventy-second street and Broadway which halted the motor. Right in front of it was a milk wagon and the driver, seeing Mr. Hughes and recognizing him called out: "Good morning, Governor."

The candidate returned the greeting and shook hands with the driver. In the meantime a crowd had collected and there was a good-sized demonstration.

OFFER REWARDS

The commissioners of Brown county, Ohio, have offered five hundred dollars reward for information leading to the capture and conviction of the murderer of Henry Wahl, who was murdered on the third day of June past. They also offer to pay \$100 for the positive identification of the owner of the coat found near the shooting.

Do you want to see the most radiant smile on this whole earth? Just pay us that dollar you owe us and look in our face.

TOO DANGEROUS TO OVERLOOK

Maysville People Will Do Well to Heed the Warning.

To have good health, the digestion, heart, lungs and kidneys must work perfectly. When there is anything wrong with the digestion, heart or lungs, a very noticeable pain or distress gives prompt warning. Kidney trouble is more easily overlooked, however, and too often gains a long start. But kidney trouble does give early signs, and backache, headache, dizzy spells, rheumatic pains, too frequent, scanty or painful urination should not be neglected. When these warnings appear, use Doan's Kidney Pills, the reliable, successful, strongly-recommended kidney remedy. Assist the medicine by taking things easier, reducing the diet and the use of liquors. A severe attack of kidney disease may be avoided. Doan's Kidney Pills have won the grateful praise of Maysville people. Read this Maysville resident's endorsement.

W. F. Lynch, 127 W. Third St., Maysville, says: "My kidneys were weak and the passage of the kidney secretions were scanty and painful. Having used Doan's Kidney Pills before, I again got a box. They quickly restored my kidneys to a normal condition."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lynch had. Foster-Milburn Co., Props., Buffalo, N. Y.
